Magazine Drive! If you still have not received a magazine you subscribed to through the magazine drive, or if you know of a friend or neighbor who supported your student and who is having this issue, please contact Shelley Knebel, at shelleyknebel@juno.com with the details. The magazine company wants all of their customers to be happy and satisfied, so don't just let it go!

Thank You From the Office!

A big thank you to everyone who remembered to send a note with his/her student when they needed to be dismissed early, and also to parents/guardians who make after-school plans in advance. This has cut down on our classroom disruptions, making our learning environments a better place.

Sehome and Bellingham High counselors will be visiting our 8th grade students:

They will be helping them prepare for their transition to 9th grade. The counselor's first visit will be March 23rd @ 8:45 and then they will return for a second visit on March 30th @ 9:30 to help students complete the registration process.

Wanted: Fun, energetic parents to hang out with great kids at lunch!

Opportunities now available during 6th and 7th grade lunch recess – approximately 11:30 to 12:30, every day, at the school. Track! Hoops! Foosball! Checkers!! Even wiping down tables and stacking chairs is a great help. sabine@sloley.net or michelle.abernathy@bellingshamschool.s.org. Thank you! We also host a Wednesday Walk and Run day on the track so that students can earn extra credit in P.E. Your help on the track at this time would also be appreciated.

Need a binder or a backpack?

Brenthaven is offering to donate 10% of purchase price to the PTSA on all goods bought through June 16th. We have already received a generous check from them. Mention that you are a member of the Kulshan Middle School community, and thank them for their generosity! The coupon is attached (email distribution), or find extras on the PTSA website: <http://kulshanptsa.wikispaces.com>

BHS PTSA Board Positions Open for 2011-2012!

The Red Raider PTSA is in need of nominees for board members for the 2011 - 2012 school year. In fact, participation is so low right now, we don't even have a nominating committee! PTA duties aren't much work at the high school level. Just a 60 minute meeting once a month and maybe minimal time spent planning fundraising activities or helping with evening functions at the school. If you know of anyone who might make a good candidate (maybe even you?) please let me know. Lynda Colwell lynda1117@comcast.net

Immunizations for incoming 6th graders:

Please check your child's immunization record to make sure they are up to date with their Tdap and Varisella(Chicken Pox). These vaccinations are required before a student enters 6th grade
